Manga (æ¼¼«ç»», Manga) are comics created in Japan or by creators in the Japanese language, conforming to a style developed in Japan in the late 19th century. They have a long and complex pre-history in earlier Japanese art.

### **Manga - Wikipedia**

Japanese manga has developed its own visual language or iconography for expressing emotion and other internal character states. This drawing style has also migrated into anime, as many manga stories are adapted into television shows and films.

The problem with changing inputs to readonly is that their data gets sent to the server when you submit the form. This is not the behaviour of a disabled input, and usually means you have to write code on the server side to anticipate data from the "disabled" field.
